Mr. Black,

The Information Assurance Courseware Evaluation (IACE) Program has evaluated your certification application and validated that the University of South Alabama courseware meets all of the elements of the Committee on National Security Systems (CNSS) National Training Standards for:

Information Systems Security (INFOSEC) Professionals, NSTISSI No. 4011

System Administrators (SA), CNSSI No. 4013 Entry Level

You will receive recognition and an official certificate during the June 2011 CNSS Ceremony, which will be held at the 15th Colloquium for Information Systems Security Education (CISSE). This certificate, signed by the CNSS Chair, will be valid through June 2016.

The IACE Program provides consistency in training and education for the information assurance skills that are critical to our nation. We appreciate your participation in this program, and look forward to seeing you in June.
